HANDS ON WORK

Think beyond existing software pieces

Apply the Magic Ring principles

AWARENESS

ENGAGEMENT

MOTIVATION

MEDIATION

SELF-SYNCHRONIZATION

COUPLING

PARTICIPATION

COHESION
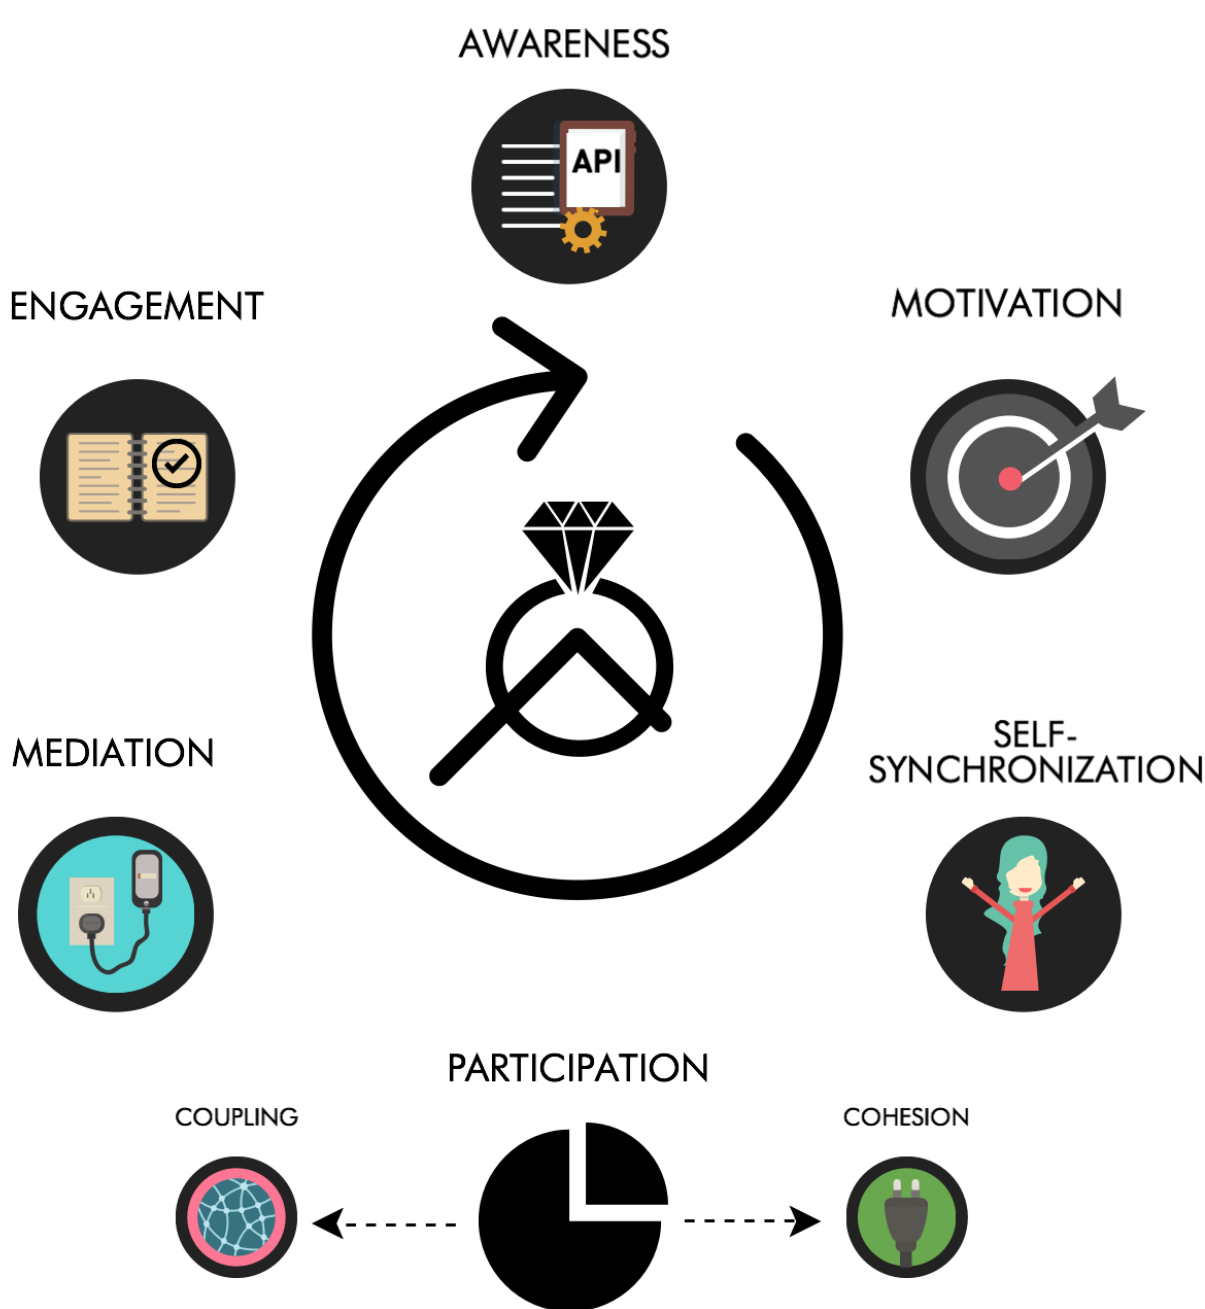

Follow the formal pillars:

ABSTRACTION

SELECTION

INTEGRATION

Select the reuse strategy

Software product lines

Interoperability-based software

Build a new complete and high-order system

Build with reuse plan for sucess!

Which is the impact of reuse in your business?

Jose María Álvarez Rodríguez - UC3M
